

The SC Fiber Pigtails (APC, UPC) are available in both single and multimode versions. Our Fiber Pigtails come with a partial outer jacket, protecting the tight buffers from damage. If installed in a high ...

Find high-quality fiber optic pigtails for reliable network termination. We offer a full range of single mode and multimode pigtails with SC, LC, ST, and FC connectors.

OCC's fiber optic pigtail assemblies are designed for reliability and performance. All OCC pigtail assemblies may be ordered pre-terminated in any OCC rack or wall mount cabinet or custom ...

Whether you're looking for reliable single-mode transmission or high-speed multimode connections, our pigtails ensure seamless integration and superior performance for your network infrastructure needs. ...

Our fiber optic pigtail offers a flexible solution for your data centers and telecom rooms, connecting existing equipment to spliced fiber optic lines for network expansion.

Simplify fiber termination with ZERO Connect's high-quality fiber pigtails. Our single-mode and multi-mode assemblies, available with various connector types, provide a reliable, low-loss solution for ...

High-quality fiber pigtails with pre-terminated connectors on one end and exposed tight-buffer fiber on the other. Available in single-mode and multimode (LC, SC, FC, ST), customizable, factory-tested, ...

Pigtails mechanically or fusion connected to the distribution cable fibers simplify cabling system installation and servicing significantly. Signamax pigtails are manufactured to meet TIA, IEC and ...

Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails ...

FS fiber optic pigtails offer a fast way to make fiber optic communication devices in the field by fiber splicing, fully manufactured and tested by industrial standards.
