

Distributor of Low-Loss Passive Fiber Optic Components

Low Noise Amplifiers, Active Components, Passive Components, SATCOM Products, Spaceborne products, Integrated Microwave Assemblies, Fiber Optic Products

Manufacturer of fiber optic connectivity products. Passive optical components including PLC and FBT splitters, optical attenuators, and multiplexers are available.

PSC Electronics is an authorized ISO 9001:2015-compliant Quality Management System (QMS) stocking distributor of magnetic, interconnect, electro-mechanical, and passive components.

Our small footprint couplers, splitter/combiners and other components can be configured as NxM port, splice free coupler arrays and as custom assemblies fabricated for high ER and low loss.

Premium passive components from Acal BFi are engineered to minimize insertion loss, ensuring your network delivers maximum performance even over long distances and multiple connection points ...

AMPCOM provides high-performance fiber optic cables, patch cords, and transceiver modules for data centers, telecom, and enterprise networks. Featuring low-loss transmission, flame-retardant designs, ...

Jera Line offers comprehensive indoor passive components for MDU and FTTH, tailored for reliable fiber-to-the-home network deployments. These solutions, including splitters, pigtails, and terminal ...

Explore 49 top manufacturers and suppliers of Fiber Optic Passive Components in our comprehensive photonics buyers" guide. Fiber optic passive components are devices used in fiber optic ...

From research labs to telecom infrastructure -- Optonav supplies individually tested passive fiber components with documented performance parameters and direct engineering support.

Lightel optical crystal based devices are designed and manufactured for demanding performance applications across the fiber optic industry.

Distributor of Low-Loss Passive Fiber Optic Components
