

Flexible, inflammable optical fiber protection tube, 7.1mm, supports up to 12 ribbons, ideal for LISA and IANOS portfolios.

A kind of polyolefin optical fiber protection heat-shrinkable tubing, a protective element specially designed for bare optical fiber in the distribution frame/transition box. It has various shapes and is ...

Optic Fiber Heat Shrink Tube is a vital component used to safeguard fiber optic splicing elements. It is composed of cross-linked polyolefin, a hot melt tube, and a steel rod. This tube is designed to ...

Consist of cross linked polyolefin, Hot fusion tubing and Stainless Reinforcing Steel Rod which keep optic transmission properties of optical fiber and enhance the protection to optical fiber splices.

Easily use and avoid any damage to the optical fiber during installation, Airproof configuration keeping the splice point's good resistance to humidity and temperature.

Consist of cross linked polyolefin, Hot fusion tubing and Stainless Reinforcing ...

Protective tubes are available for various optical fiber assemblies, to protect against damage from longitudinal and transverse forces, and various environmental factors.

The Miniflex® Protection Tube is a flexible tube made from tough polymers to protect optical fibers or lightweight optical fiber units in demanding industrial or commercial environments.

Designed for durability and reliability, the sleeves are constructed with an inner EVA meltable adhesive tube, and a polyolefin heat shrink outer tube. The strength member within the sleeve is made of ...

Protective conduit set with a 7.1 mm diameter, containing 90 fire-resistant, flexible, and robust conduits. Ideal for fiber optic cable management.

Buffer tube fan-out kits are used to provide individual fiber protection for each fiber in a 900um tube for 6 to 12 fibers. The type of buffer tube fan-out kit selected depends upon the ...

Discover heat shrinkable optical fiber protection tubes for FTTH installations. Low price, waterproof, and easy-to-install. Available in bulk from 1 unit, ideal for wholesalers and distributors.
