

SiRON T380-18 Unmanaged 2 Optical 8 Power Industrial Switch offered by China manufacturer SIRON. Buy SiRON T380-18 Unmanaged 2 Optical 8 Power Industrial Switch directly with low price and high ...

Ideal for industrial applications, the QLD18GP-SFP provides high-quality networking solutions with advanced surge protection and dual power supply redundancy. The QLD18GP-SFP is an industrial ...

Antaira offers a variety of industrial Ethernet switches, including industrial-grade network switches, DIN mount switches, and Ethernet switchboards, that can perform efficiently in adverse weather ...

Industrial unmanaged switches from Phoenix Contact feature variable numbers of ports and a narrow design. We provide unmanaged switches with a variety of functions, depending on the application.

u It meets industrial-grade operation standards and has an average trouble-free operation of more than 300,000 hours? u Working Power Supply:DC 12-52V provides reverse polarity protection?

Our switches are built for high network flexibility, cyber security and durability and are suitable for use in mission-critical environments.

This layer 2 industrial managed switch supports enhanced L2+ functions such as ...

8 Gigabit electrical ports + 2 Gigabit FX optical ports industrial Ethernet switch, supporting 8 100Base-T/1000Base-TX electrical ports and 2 1000Base-X optical ports. Products comply with FCC, CE, ...

This layer 2 industrial managed switch supports enhanced L2+ functions such as ERPS, VLAN, QoS, IGMP Snooping, LACP link aggregation, Static Routing, etc, making it well-suited for a wide range of ...

The rail installation features, wide temperature operation, IP40 enclosure and LED indicator light make the BL166G a plug-and-play industrial device, providing a reliable and convenient solution for users ...

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...
