

# KVM switcher cannot wake up

Whenever the monitor is asleep, using the keyboard (connected via KVM) doesn't wake it up. Instead, I have to unplug the monitor and plug it back in, and then everything works.

If the KVM switch is not a DDM-class KVM switch, then there will not have a "keeping alive" function to the connected HID devices. To solve the issues, besides turn-off the USB ports sleeping or ...

Could the KVM switch not "like" the computer and the laptop thinks it's supposed to shut off after a few minutes or something? Doesn't make sense because why would it freeze up and ...

I recently added a KVM switch so that I can use the same resources for my work machine as well. However now, if I were to sleep the Win10 Machine, switch away, switch back, I am unable ...

The common denominator seems to be that the computer will not wake from keyboard or mouse input if the device is connected via the KVM, regardless of whether is connected to a USB 2 ...

If the desktop is awake, I can connect and disconnect the laptop and the KVM switch works as expected. However, if the desktop is sleeping, I can connect the laptop but I am unable to ...

I'm having the same issue with a UGreen CM692 kvm with an HP Pavilion running Win 11 and a GMKtec M7 running CachyOS. I can wake up both devices by pressing the power buttons but ...

Quick fixes for KVM switch monitor not working. Learn how to resolve common monitor issues including detection problems, switching delays, and blank screen.

I have a dual monitor dual display DP 1.4 KVM and I have been facing a problem with windows 11 sleep. I've been getting no display signal when I tried to wake my windows 11 PC up.

However, when using a KVM switch, you may encounter some common issues. We will now introduce some of these problems and provide solutions to help you make better use of a KVM ...

"You may encounter an issue that after using the KVM function of the BenQ monitor, the mouse and keyboard connected to the monitor's hub cannot wake up the computer and monitor. The ...
