

# Price of Low-Loss Adjustable Attenuators Used in Malaysian Airports

View low PIM & variable RF attenuators in the 2db, 6db and 50db range.

Explore RF attenuators and variable RF attenuator circuits at Octopart. Engineers benefit from detailed technical insights, while sourcing teams can quickly evaluate inventory, prices, and supplier ...

Favorable price variable RF step attenuator for sale, frequency range from DC to 3.6GHz, attenuation range from 1dB to 90dB, working at 5W power. This variable attenuator is an electronic device ...

Find reliable adjustable attenuators for various applications. Precision and durability in every product. Shop our selection today for high-quality solutions.

The Low Passive Intermodulation (PIM) Attenuators sector in Malaysia plays a significant role in the nation's economic development, driven by innovation, efficiency, and strong market demand.

Over 400 attenuator models for 50-Ohm & 75-Ohm system including fixed, high-power, digital step / programmable, voltage variable and more! Stocked for shipping.

We produce a wide range of fiber optical attenuators for all application scenarios.

Mouser offers inventory, pricing, & datasheets for Attenuators.

Shop DigiKey's large in-stock selection of Attenuators. View inventory, pricing and order now for same day shipping!

Variable Attenuators from the leading manufacturers are listed on everything RF. Use the filters to narrow down on products based on Attenuation Range, Frequency, Insertion Loss, and Power, and ...
