

Selection of Israeli Standard Optical Attenuators

Our broad product line addresses technical challenges related to polarization, power equalization, laser-to-fiber delivery, and test and measurement in newer high-speed, optical networking systems.

Optical elements, up to ± 50 cm, made of a vast variety of materials (glasses, Ge, Si, ZnS, ZnSe, CaF₂, As₂Se₃, Sapphire and more) with coatings for all spectral ranges (VIS, NIR, MWIR, FLIR)

MTI Summit supplies and distributes in Israel Components and Equipment for Test & Measurement, Interconnection Solutions, Control Systems, PCB Prototyping Machines, EMC & EMI, Ultra ...

Buy Fibre Optic Attenuators & Connectors. Farnell Israel offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

all in one place!

This optical attenuators buying guide provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

We provide in Israel optical components of all kinds and different uses. Our suppliers produce standard components as well as on-demand components tailored to customer needs.

Mouser offers inventory, pricing, & datasheets for Attenuators.

Fill out the form if you need help choosing a part, need samples or if you have any questions, and we will get back to you as soon as possible.

SHILAT Optronics is the chosen supplier for laser seekers by the Israel Defense Forces - Ground Forces. The "Iron Sting" mortar, the "AccuLAR" rocket and many other systems use SHILAT's ...
