

Smart Selection Guide for Distribution Network Automation-Grade Optical Core Routers

Outlines the concepts, requirements, technology and design considerations for connecting remote industrial automation and control system (IACS) assets to a plant-wide network architecture.

The solution works on a classical IP/MPLS infrastructure; however, it delivers the best results on a programmable SR network which enables mass simplification, scale and service convergence

Start by identifying your capacity demands, application, and anticipated future growth. Identify solutions that are designed for your application like metro, long-haul, DCI or subsea. Look for open standards, ...

This guide provides a comprehensive engineering perspective on ODFs--beyond the basic "what is an ODF" explanation--covering structural design, fiber management, MPO/MTP ...

In this blog, Brodie Gage explores how distributed AI training is reshaping optical infrastructure--and details how Ciena is advancing the coherent and photonic innovations powering regional and multi ...

This guide provides a comprehensive engineering perspective on ODFs--beyond the basic "what is an ODF" explanation--covering structural ...

Our software-defined router provides a flexible, application-aware network fabric that meets stringent enterprise performance, security, and availability requirements.

This comprehensive technical guide represents the culmination of extensive research across industry best practices, emerging technologies, academic research, and strategic insights for ...

This group works on the definition of open and disaggregated routers including Core (P), Provider Edge (PE), Aggregation Routers, Internet Gateways and Cell Site Gateway Devices that operators can ...

Changing the paradigm, the Cisco Routed Optical Networking solution improves operational efficiency and reduces network TCO. The transformed network also increases service ...

Both core product guides are available for download to the right, giving you instant access to the information you need, whenever you need it. If you have questions or would like to speak with a ...
