

Welcome to the BKS Stromschienen ag. We are market leaders in cast resin busbars with over 20 years of experience. Please use this page to familiarize yourself with our portfolio and get in touch with us ...

When busbar insulation is required, we can offer heat shrink, over molding, powder coating, and plastic enclosures. End-of-line (EOL) testing can also be performed prior to shipment.

We provide sales, engineering and manufacturing support from our facilities in North America, Europe and Asia. Our experienced teams of applications engineers, supported by our regional design ...

To connect various high voltage (HV) components to the HV system, we also deliver a wide variety of busbars. In cooperation with the customer, these can also feature our Bus Bar Insulation Tubing (BBIT).

Intercable Automotive Solutions designs and manufactures busbar solutions that are truly optimized for the specific application in each vehicle model. The application requirements determine the busbar's ...

One of the signature products developed by Intercable Automotive Solutions are our custom made high-voltage busbars manufactured to client specifications. Busbars are essential components in electric ...

For copper busbars, we use Cu-ETP (formerly: E-Cu58, E-Cu57, E-Cu), Cu-OF, Cu-OFE, Cu-PHC, and Cu-HCP. For aluminum busbars, we use EN AW-6082, EN AW-6060, or EN AW-6101 upon request. ...

Find reliable busbar systems and power distribution blocks at Amperio. Our busbars ensure efficient electrical distribution for industrial and commercial installations.

For more than 60 years, Axicom has set multiple standards in the field of high voltage power transmission. Advanced technology, renowned reliability and maximum adaptability make us a ...

Our HV Busbars provide a reliable solution for compact high-voltage power distribution. With high conductivity and a robust design, they deliver maximum performance in minimal space - efficient, ...
