

Zhejiang Aowei Electric Co., Ltd. is a manufacturer of distribution boards, MCCB and MCB fuses with well-equipped testing facilities and strong technical force.

Products Power Management Temporary Power Distribution 50A 125/250V TEMPORARY POWER X-TREME BOX 6-5-20 U-GROUND/STRAIGHT BLADESLED BASE Temporary Power ...

Explore our Power Distribution Boxes! Enjoy factory-direct sales and expert customization for efficient power management. Shop now for reliable solutions.

Dongfang Xiangsheng integrates product research and development, production, sales, power installation, construction and maintenance, and technical consulting services.

Among them, the comprehensive distribution box (JP cabinet), distribution box and meter box have passed CCC certification and obtained certificates from China Quality Certification Center.

Discover the TY-SXS1 three-phase one-position electric energy metering box for accurate monitoring and efficient energy management. Ideal for all your power needs!

Lex Products offers a full range of portable power distribution units including boxes, boards and panels, specifically engineered for indoor and outdoor use.

The TY-SXS1-AXJ low voltage A-type box and the TY-SXS1-AGXJ high voltage A-type box are used to house and protect the meter, ensuring the safe and efficient operation of the electrical system.

The TY-SXS1-CJ three-phase collector box is a critical component in electrical equipment, designed to safely and efficiently collect electrical energy from multiple power sources.

Designed to accommodate main bus rated currents from 250A to 10A, these meter boxes are capable of withstanding high power loads while ensuring safety and reliability.
