

It is designed for mechanical support and strain relief in long runs of cable and creates a smooth gradual bend for cable. Rail and stringer material is 16 ga steel tubing.

The ladder-type cable tray is designed with two long side rails that are connected by evenly spaced rungs, resembling a ladder. This structure is especially useful for supporting heavy-duty cables over ...

Its structure adopts compound type, double thermal insulation, internal and external flame retardancy, fire prevention, and has the advantages of ventilation, heat dissipation and self extinguishing.

No other cable tray or cable bus manufacturer can match the experience, engineering proficiency or manufacturing capabilities of MP Husky. Our team of ...

Cable trays support insulated electrical cables in industrial and commercial settings. There are several types of cable trays, including ladder, perforated, solid bottom, basket, and ...

MP Husky's cable tray selector for choosing the correct tray type (ladder, solid bottom, perforated, wire mesh) and size based on load, cable type and installation requirements.

Refers to the approximate height of a cable tray used for specifying. Selecting a specific height will show cable trays with that height, as well as cable tray accessories compatible with that height.

For example, the first selection issue is the environment to which the cable tray will be subjected. This selection will lead to the best material for your application.

It provides rules for acceptable wiring methods that can be installed in cable trays, including conditions for use. It addresses uses permitted and not permitted for cable trays.

The straight sections and fittings feature perforations along the side rail to allow you to quickly and easily alter the system. Plus, add-rung-kits allow you to add rung at any location along the length of the tray ...

Our cable tray design considerations guide details key factors to consider when designing cable tray systems for industrial and commercial applications. Browse or download the cable tray catalog for ...
