

Contents: YOFC, the year of manufacture, the type of cable, cable number, length marking. Interval: 1 m. Outer sheath marking legend can be changed according to ...

Yangtze Optical Fibre and Cable (YOFC), an optical fiber and cable technology company, showcased advanced products and solutions to revolutionize connectivity in the digital era at the ...

Contents: YOFC, the year of manufacture, the type of cable, cable number, length marking. Interval: 1 m. Outer sheath marking legend can be changed according to user's requests.

Scope This Specification covers the design requirements and performance standard for the supply of optical fibre cable in the industry. YOFC ensures a stable quality control system for our cable ...

On June 6, Yangtze Optical Fibre and Cable Joint Stock Limited Company (YOFC), in collaboration with China Mobile, unveiled the world's first 800G hollow-core fibre transmission test ...

This specification covers the design requirements and performance standard for the supply of optical fibre cable in the industry. It also includes YOFC premium designed cable with ...

Cable Product Air-blown Micro Cables for C-NET Optical Cable for Route Shortage Biologically Protective Optical Cables Optical Cables for Distributed Base Stations Optical Cables for Networks in ...

This Specification covers the design requirements and performance standard for the supply of optical fibre cable in the industry. YOFC ensures a stable quality control system for our cable products ...

Multimode Fibre of YOFC is manufactured by PCVD technology. With excellent DMD and bandwidth performance it is widely used in data centers, data storage networks, high performance computing ...

The Yuanbei G.654.E optical fiber with lower attenuation coefficient and larger effective area launched by YOFC has been successfully applied in multiple G.654.E trunk optical cable project ...

At Mobile World Congress (MWC) Barcelona 2026, Yangtze Optical Fibre and Cable Joint Stock Limited Company (YOFC) unveiled its HollowBand hollow-core fibre platform, reporting a ...
